Bidders should provide a suggested payment schedule as part of their proposal.

10.1.3. Prime Sponsor Terms and Conditions

Any award resulting from this RFP will be issued subject to the terms and conditions of the prime funding agency, in this case, the CMS. Proposals submitted by Bidders who are unable to accept said terms will be considered non-responsive.

11. REJECTION OF PROPOSALS

11.1. CMS may reject non-responsive bids, including, without limitation, bids which contain the following defects:

- 11.3. Furthermore, the contract with the successful bidder may be subject to conditions, such as (i) the successful Bidder should maintain its BBEE status for the duration of the contract and (ii) the Bidder should provide additional documentation, such as a new tax clearance certificate, upon expiry of the previous version.

12. CONTRACT IDENTIFICATION

12.1. Prime Contractor

The CMS prefers to work with a single prime contractor for all product and implementation services. Nevertheless, if vendors wish to partner, they must submit a single proposal with an established entity that shall be the primarily responsible point of contact and contracting.

12.2. Vendor Prime Contractor Responsibility

If a vendor's proposal includes equipment, hardware, software or services to be supplied by other entities, the proposing vendor should act as prime contractor for the procurement of all products and services. The vendor, acting as primary contractor, should take full responsibility for rendering services by its subcontractor(s). Each subcontractor used by the vendor on this project shall be required to submit complete identification of their company to the CMS on the form titled Subcontractor Identification, found in Annexure F to this RFP.

- 21.6. Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.
