PERSONAL PROTECTIVE EQUIPMENT (PPE)SPECIFICATION/ TERMS OF REFERENCE (TOR)

1 PURPOSE

Re-Advertisement: Appointment of a Panel of Service Providers for the Provision of Personal Protective Equipment (PPE) for SDM Employees for a Period of Three (3) Years.

2. BACKGROUND

Occupational Health and Safety Act no 85 of 1993, General Safety Regulation 2, (3) indicates that employees who are exposed to risks and hazardous work-related activities should be provided with Personal Protective Equipment (PPE). OHS Act, Section 8, General duties of employers to their employees, requires that the employer provides and maintains as far as reasonably practicable a working environment that is safe and without risk to the health of the employees. The following is the type of PPE as per OHS Act: (a) suitable goggles, spectacles, face shields, welding shields, visors, hard hats, protective helmets, caps, gloves, gauntlets, aprons, jackets, caps, sleeves, leggings, spats, gaiters, protective footwear, protective overalls, or any similar safety equipment or facility of a type that will effectively prevent bodily injury.

(b) waterproof clothing, high-visibility-clothing, chemical-resistant clothing, low temperature clothing, chain male garments, waders, fire retardant or flame-proof clothing, ice-jackets, or any similar safety equipment of a type that will effectively protect the wearer thereof against harm.

(c) protective ointments, earmuffs, ear plugs, respirators, breathing apparatus, masks, airlines, hoods, helmets or any similar equipment or facility of a type that will effectively protect against harm.

Supply and delivery of Personal Protective Equipment (PPE) and associated Safety items to Sekhukhune District Municipality employees tender shall be for period of three (3) years. The prices of PPE and associated safety items shall be calculated according to agreed rates for three (3) of the provision of PPE.

3. OUTPUTS

Employees from Departments, namely, Infrastructure and Water Services, Corporate Services, Budget and Treasury, Planning and Economic Development, Sekhukhune Development Agency, Municipal Health Services, Disaster Management, Emergency Management Service and Councilors require personal protective equipment as per Occupational Health and Safety Act no 85 of 1993. These include employees from the following Units: Infrastructure and Water Services (PIU, Water Quality, Water reticulation, Water treatment works, Operations and Maintenance, Meter reading), Budget and Treasury (Asset Management, Supply Chain Management and Stores), Corporate Services (Registry, Fleet and facilities, EAP, Mayor and Speaker's office), and Planning and Economic Development (Town planning, Local Economic Development).

As indicated earlier, Supply and delivery of Personal Protective Equipment (PPE) and associated Safety items to Sekhukhune District Municipality employees tender shall be for period of three (3) years. The agreed rates will be applied in terms of PPE and associated safety items pricing calculation during the second and the third year of provision of PPE. That is, each PPE item shall be calculated according to agreed rates for three (3) years of PPE provision. The successful bidder shall be appointed on standards rates.

Employees will be provided with PPE as and when required. Therefore, employees will be provided with more than one (1) PPE item, and this will be congruent with employees' job needs and requirements. Currently, six hundred and fifty (650) SDM employees were provided with PPE Personal Protective equipment during financial year 2020/2021. This number may increase or either decrease in the coming years due to number of new employees who will be employed in SDM and/or those who will be terminated from the employment system due to retirement, resignations and death.

MBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids[1] invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).[2] Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

a. take all reasonable steps to prevent such abuse;

b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and

c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

[1] Includes price quotations, advertised competitive bids, limited bids and proposals.

[2] Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
