E-tendering Help Manual for supplier	E-tendering Help Manual is attached

Eskom Holdings SOC Ltd ("Eskom") invites you to submit an:

- **Request for information (RFI)** to submit information for the Supply Used/Surplus Entire Steam Plant (200-500MW range. This RFI is a stand-alone information-gathering and market-testing exercise, intended only to inform and assist Eskom's further deliberation and development of a strategy for the possible supply of used or surplus steam plant (boiler, turbine, heat rejection plant, boiler feed pumps, mills and outside plant including balance of plant) in range 200-500MW output, specifically with flue gas cleaning technology as part of the package. Eskom may request indicative prices if so, stated in this RFI.

- **Clarification Requests -** All communication pertaining to this RFI must be sent to the mentioned Employer's Representative. All clarifications are to be submitted in writing to the Eskom Representative using the email address mentioned NtshinNo@eskom.co.za

Eskom has delegated the responsibility for this **RFI** to the signatory of this document, whose details can be found below.

We look forward to receipt of your response.

Yours faithfully

Please find below our response to Eskom's questions:

No.	Question	Please indicate your response in this column
Request for information for the Supply Used/Surplus Entire Steam Plant (200-500MW) range		
1.	Please specify if you are a broker, intermediary, or specify your exact designation	
2.	Provide past your experience (based on your declaration in 1.) in the supply of used, or surplus equipment, specifically coal plant. Specify the number of years and to which sites, both in South Africa and internationally, that a plant was supplied to and/or erected.	
3.	Please indicate commercial operation date of offered plant, why operations were ceased, and whether the plant is available to inspect or has already been dismantled. In addition, please indicate location of plant, e.g. USA, Europe, China etc. and whether an inspection will be allowed. Also state whether there are more than one unit available for sale (if so state number).	
4.	Please provide primary energy design basis for plant, i.e. water quality and volume, and coal specification (coal calorific value and ultimate analysis).	
5.	Please clearly state the condition of the 200-500 MW coal plant, and if possible, please supply a state of plant report if one exists, detailing any damage or latent defects. If a detailed data sheet for the plant exists, please provide it for review.	
6	Furthermore, state if the OEM parts have been replaced with non-OEM parts during an outage and provide a list of such items if applicable. Please supply details on any warranty claims or defects (on commissioning or during operation) that were noted.	
7	Clearly indicate what emissions reduction technology exists on the plant offered for NO_X, SO_X and particulate matter reduction. For the coal specification for this plant, please indicate the

	design values emitted in ppm or mg/Nm^3 and at what oxygen % in flue gas stream	
8	Please provide OEM details for: Boiler, Turbine, Heat rejection plant, Boiler feed pumps, Mills and outside plant, water treatment plant etc.	
9	For the heat rejection plant, please specify if wet or dry cooling technology has been adopted.	
10	To what standard has the been plant designed, i.e. ASME, Chinese Standards, or another international standard (please specify)?	
11	Please specify selling price for the entire 200-500MW coal plant in USD or ZAR.	
12	If you are a broker/intermediary, please specify broker/intermediary commission as a percentage of selling price. If you offer construction services, please provide complete costs for dismantling, erection and commissioning in Mpumalanga South Africa.	
13	If you are not a broker/intermediary yet offer construction services, please provide an estimated cost for dismantling erection and commissioning of the plant in Mpumalanga, South Africa.	
14	Please provide an estimated shipping cost from current plant location to South Africa	

Yours faithfully (*Tenderer*)
