INSTRUCTIONS TO BIDDERS

1. THE TENDER DOCUMENTS

Rules for Bidding

- 1.1. The Department is not bound to accept any of the proposals submitted and reserves the right to call for presentations from short-listed bidders before final selection.
- 1.2. The Department reserves the right to terminate this appointment or temporarily defer the work, or any part thereof, at any stage of completion should the Department decide not to proceed with the tender.
- 1.3. The Department also reserves the right to appoint any other person to undertake any part of the tasks.
- 1.4. The service provider must be a single legal entity with all other necessary expertise secured via sub-contract, or under a joint venture or a consortium arrangement. The Department will enter into a single contract with a single entity for the delivery of the work set out in these tender documents.
- 1.5. The bidding entity shall be the same entity that will execute the bid. Any bid found to be fronting for another entity or entities shall be disqualified immediately.
- 1.6. All South African firms submitting bids as part of a consortium or joint venture must submit valid original tax clearance certificates.
- 1.7. All bidders submitting bids as part of joint venture, consortium, **must** submit the following:
 - i. A Joint Venture, Consortium or Trust agreement signed by all companies forming a Joint Venture, Consortium or Trust.
 - ii. A valid tax clearance certificate and/ or pin issued by South African Revenue Services (SARS) for all companies that form part of a Joint Venture, Consortium or Trust.
 - iii. A Central Supplier Database (CSD) Report for all companies that form part of a Joint Venture, Consortium or Trust.
 - iv. A consolidated SANAS B-BBEE certificate or a consolidated B-BBEE certificate issued by the Companies and Intellectual Property Commission (CIPC).
 - v. SBD 1, SBD 3, SBD 4, & SBD 6 forms must be completed using the Joint Venture, Consortium or Trust information or the lead partner as indicated on the Joint Venture, Consortium or Trust agreement.
- 1.8. Foreign firms providing proposals must become familiar with local conditions and laws and take them into account in preparing their proposals.
- 1.9. The service provider and its affiliates are disqualified from providing goods, works, and services to any private party to this Agreement, or any eventual project that may result, directly or indirectly from these services.
- 1.10. Firms may ask for clarification on these tender documents or any part thereof up to close of business 1 week before the deadline for the submission of the bids.
- 1.11. The Department reserves the right to return late bid submissions unopened.

- 1.12. Firms may not contact the Department on any matter pertaining to their bid from the time when the bids are submitted to the time the contract is awarded. Any effort by a bidder to influence bid evaluation, bid comparisons, or bid award decisions in any manner, may result in rejection of the bid concerned.
- 1.13. Should the contract between the Department and the service provider be terminated by either party due to reasons not attributable to the service provider, the service provider will be remunerated for the appropriate portion of work completed up to a maximum amount of not more than the total fee bid by the service provider for the appropriate phase of the project during which the appointment was terminated.

Conditions of the Tender

- 1.14. The General Conditions of contract will apply.
- 1.15. The Department will become the owner of all information, documents, programmes, advice, and reports collected and compiled by the service provider in the execution of this tender.
- 1.16. The copyright of all documents, programmes, and reports compiled by the service provider will vest in the Department and may not be reproduced or distributed, or made available in any other way without the written consent of the Department.
- 1.17. All information, documents, programmes, and reports must be regarded as confidential and may not be made available to any unauthorised person or institution without the written consent of the Department.
- 1.18. Bidders shall undertake to limit the number of copies of this document and destroy them in the event of their failure to secure the contract.
- 1.19. The service provider is entitled to general knowledge acquired in the execution of this agreement and may use it, provided that it shall not be to the detriment of the Department.

Processing of the Bidder's Personal Information

- 1.20. All personal information of the Bidder, its employees, representatives, associates, and sub-contractors ("Bidder Personal Information") required under this bid is collected and processed to assess the strength and competitiveness of the proposal. The evaluation and award of the contract shall be conducted following applicable legislation, policies, and standards. The Bidder is advised that Bidder Personal Information may be passed on to third parties to whom DHA is compelled by law to provide such information. For example, where appropriate, DHA is compelled to submit information to the National Treasury's Database of Restricted Suppliers.
- 1.21. All Personal Information collected will be processed under Protection of Personal Information Act (POPIA).
- 1.22. The following persons will have access to the Personal Information that has been collected:
 - a) DHA personnel participating in procurement/award procedures; and
 - b) Members of the public: when the bid is awarded, some of the following information will have to be made available on the National Treasury's e-Tender portal and DHA website:
 - Contract description and bid number

- Names of the successful bidder(s) and preference points claimed
- The contract price(s) (if possible)
- Contract period
- Names of directors; and
- Date of completion/award

1.23. In signing the bid document, the Bidder consents to the use of its Personal Information for the purposes as specified in the paragraphs above

Cost of Bidding

1.24. The Bidder shall bear all costs associated with the preparation and submission of its bid and the Department, will in no case be held responsible or liable for these costs, regardless of the conduct or outcome of the tender process.

Content of Tender Documents

1.25. The services required, tender procedures and contract terms are prescribed in the tender documents, which include:

- i. Instruction to Bidders;
- ii. Technical Bid;
- iii. Terms of Reference;
- iv. Evaluation Criterion;
- v. Financial Bid;

1.26. The Bidder is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or submission of a bid not responsive to the tender documents in every respect will be at the Bidder's risk and may result in the rejection of the bid.

Clarification of Tender Documents

1.27. The Department will respond in email to any request for clarification of the tender documents which it receives no later than 1 week prior to the deadline for submission of bids prescribed by the Department.

1.28. Briefing session.

Bidders are invited to a non-compulsory virtual (Microsoft Teams) briefing session that will be held as follows:

Date and time: Friday, 07 August 2026 at 10h00 to 11h00.

<https://teams.microsoft.com/meet/3129557183242?p=9lg9krn6FFafo0zt6g>

Amendment of Tender Documents

1.29. At any time prior to the deadline for submission of bids, the Department may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the tender document by amendment.

- 1.30. All prospective bidders who have received the tender document will be notified of the amendment in writing or by fax, and same will be binding on them.
- 1.31. In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their bids, the Department, at their discretion, may extend the deadline for the submission of bids.

2. PREPARATION OF BIDS

Language of Bid

- 2.1. The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Department shall be written in English.

Documents Constituting the Bid

- 2.2. The bid prepared by the Bidder shall comprise the following components:
 - a) Completed Invitation to Bid DHA13-2026 document
 - b) Letter of Authority
 - The title, name, surname, and position of an authorised person to sign the bidding documents and communicate with the department on behalf of the bidding company.
 - The contact details of the authorised person, including the telephone number or work cell number and the email address.
 - c) General Conditions of contract
 - d) CSD report
 - e) Company's profile
 - f) Response to TOR requirements
 - Pre-qualification criteria evaluation
 - Mandatory requirements evaluation
 - Functionality requirements evaluation
 - g) SANAS B-BBEE Certificate/ Sworn Affidavit/ DTIC B-BBEE

Bid Prices

- 2.3 Prices indicated on the Price Schedule shall be the total price of services including, where applicable:
 - All duties and other taxes;

- The price of transportation, insurance, and other costs incidental to the delivery of the services to their final destination;
 - The price of any other incidental services required in terms of the tender deliverables;
- 2.4 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account.
- 2.5 A bid submitted with a variable price quotation will be treated as non-responsive and rejected.
- 2.6 Prices shall be quoted in South African Rands.
- 2.7 The Department has limited resources and bids must be competitive, with market-related pricing, as this will be one of the deciding factors in the final award of the contract.

Period of Validity of Bids

- 2.8 Bids shall remain valid for 90 days after the closing date of the bid prescribed by the Department. A bid valid for a shorter period shall be rejected by the Department as non-responsive.
- 2.9 In exceptional circumstances, the Department may solicit the Bidder's consent to an extension of the period of validity. The request and the response thereto shall be made in writing. A Bidder may refuse the request. A Bidder granting the request will not be required nor permitted to modify its bid.

Format and Signing of Bid

- 2.10 The Bidder shall prepare one copy of the Technical Bid and Financial Bid separately, clearly marking each "Original Technical Bid" and "Original Financial Bid", as appropriate.
- 2.11 The original bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. All pages of the bid, except for un-amended printed literature, shall be initialed by the person or persons signing the bid.
- 2.12 Any interlineations, erasures, or overwriting shall be valid only if they are initialed by the person or persons signing the bid.
- 2.13 Faxed or emailed or hardcopy bids will not be accepted. **Bid response documents must be submitted online on the eTender portal.**
- 2.14 Non-compliance with online bid submission WILL invalidate the bidder's response.

Closing Date of Bids

- 2.15 Bids (Technical and Financial) must be received through e-submission as specified under clause 2.13 above.
- 2.16 The Department may, at its discretion, extend this deadline for submission of bids by amending the bid documents in which case all rights and obligations of the Department and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

Late Bids

- 2.17 No bids will be received after the deadline for submission of bids.

Modification of Bids

- 2.18 No bid may be modified subsequent to the deadline for submission of bids.

3. EVALUATION OF BIDS

Clarification of Bids

- 3.1. During evaluation of bids, the Department may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing.

Preliminary Examination

- 3.2. The Department will examine the bids to determine whether they are complete, whether they meet all the conditions of the Contract and Technical Specifications and whether any computational errors have been made, whether the documents have been properly signed, and whether the bids are generally in order.
- 3.3. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words shall prevail. If the supplier does not accept the correction of errors, its bid may be rejected.
- 3.4. If a bid is not responsive and not fulfilling all the conditions of the Contract and not meeting Technical Specifications, it will be rejected by the Department and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

Evaluation and Comparison of Bids

- 3.5. The Department will evaluate and compare the financial bids only of those Bidders whose Technical Bid has been accepted by the Department.
- 3.6. The Department's evaluation of a financial bid will take into account information to be provided on the SBD 3 and/ or pricing schedule/ fee structure where applicable.

Contacting the Department

- 3.7. Subject to clause 3.1 above, no Bidder shall contact the Department on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded. If the bidder wishes to bring additional information to the notice of the Department, it should do so in writing.

- 3.8. Any effort by a Bidder to influence the Department in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

4. AWARD OF CONTRACT

Post qualification

- 4.1. The Department will determine to its satisfaction whether the Bidder that is selected as having submitted the highest evaluated responsive bid meets the criteria specified in these documents, and is qualified to perform the contract satisfactorily.
- 4.2. The determination will take into account the Bidder's financial, technical and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the bidder, as well as such other information as the Department deems necessary and appropriate.
- 4.3. An affirmative determination will be a prerequisite for award of the Contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event the Department will proceed to the next highest evaluated bid to make a similar determination of that Bidder's capabilities to perform the contract satisfactorily.

Department's right to vary Quantities at Time of Award

- 4.4. The Department reserves the right at the time of Contract award to increase or decrease the quantity of the services originally specified in the Terms of Reference without any change in unit price or other terms and conditions.

Department's right to accept or reject any or all Bids

- 4.5. The Department reserves the right to:
- Accept or reject all or individual items of this bid;
 - Accept one or more bids submissions reject individual items;
 - Request clarification or further information regarding any item in the Proposal;
 - Request further information from any bidder after the closing date;
 - Accept a bid that may not reflect the lowest pricing;
 - Consider any bid that may not conform to any aspect of this bid;
 - Annul the tender process and reject all bids at any time prior to contract award;
 - Consider such alternate services, terms or conditions that may be offered, whether such offer is contained in a Proposal or otherwise;
 - Award the contract or any part thereof to one or more bidders; without thereby incurring any liability to the affected Bidder or bidders.

Notification of Award

- 4.6. Prior to the expiration of the period of bid validity, the Department will notify the successful bidder in writing that its bid has been accepted.
- 4.7. The notification of award will constitute the formation of the Contract.

Signing of Contract

- 4.8. At the same time as the Department notifies the successful bidder that its bid has been accepted, the Department will send the bidder the Contract Form provided in the tender documents, incorporating all agreements between the parties.
- 4.9. Within 2 days of receipt of the Contract Form, the successful bidder shall sign and date the Contract Form and return it to the Department.

Termination of Service

- 4.10. In case of any failure to comply with any of the conditions of the contract or unsatisfactory rendering of service, the stipulation of the General Conditions of Contract and the Special Conditions of Contract, shall be applicable.
- 4.11. Should the Department, after a reasonable period of notice, of not less than seven days, in writing, depending upon the circumstances, call upon the service provider to comply with any of the conditions and should he/she fail to do so, the Department shall, without prejudice to any of its rights be entitled to cancel the contract, and to claim from the service provider any damage or loss that might have been suffered, including any additional expense incurred by it having either to invite fresh bids or to accept any less favourable bid.

Unsatisfactory Performance

- 4.12. Failure to comply with the conditions of the contract, the Department shall be entitled, without prejudice to its other rights, to cancel the contract in terms of the General Conditions of Contract. Delays beyond time limits and timeframes agreed upon between the parties. Failure to meet the performance standards indicated in the contract

Assignment

- 4.13. The contractor shall not, without prior written authority of the Department, cede, assign or transfer its rights or obligations in respect of this contract or any part thereof or any share of interests herein, directly or indirectly, to any person, firm or organization whatsoever.

TERMS OF REFERENCE

OBJECTIVES

1. The objectives (aims) of this tender are:
 - To invite bids from suitable service provider(s) for the procurement of IT services and expertise to facilitate the maintenance of data center/server rooms, enabling live capture, smart ID card functionality, and other departmental applications. To invite bids from suitable service provider(s) for the procurement of specialised Information Technology (IT) services, technical expertise, and support resources to facilitate the maintenance, support, optimisation, and continuous operation of the Departmental Data Centres and Server Rooms. The services are required to ensure the stability, availability, security, and performance of the infrastructure that hosts and supports mission-critical systems, including Live Capture services, Smart ID Card functionality, biometric systems, digitisation services, and other departmental business applications for a period of three (3) years with an option of extending it for further (2) years subject to satisfactory performance using SITA RFB 1183.
 - The scope of the required services includes, but is not limited to:
 - Preventative and corrective maintenance of data centre and server room infrastructure;
 - Monitoring and management of servers, storage, backup, virtualisation, and network environments;
 - Maintenance and support of power, cooling, environmental monitoring, and related infrastructure within the data centre environment;
 - Provisioning of specialised technical skills and expert resources for troubleshooting, incident resolution, optimisation, and operational support;
 - Support for disaster recovery, backup, business continuity, and system availability requirements;
 - Infrastructure upgrades, configuration management, and technical advisory services;
 - Compliance with Government ICT standards, security requirements, and departmental policies;
 - Provision of 24/7 support services where required to ensure uninterrupted availability of critical systems and services.
 - The required services will support the Department in maintaining high availability, operational continuity, and reliability of critical ICT systems that enable citizen services and internal business operations. The proposed contract period is three (3) years with a possible extension of a further two (2) years subject to satisfactory performance.

BACKGROUND

2. The Department of Home Affairs (DHA) requires suitable and experienced service provider(s) for the provisioning of support and maintenance services for its four (4) main Data Centres located in Gauteng, as well as Server Rooms in 210 modernized offices and Bank Branches across all nine (9) provinces. It must be noted that the number of modernized offices and bank branches is expected to increase as the Department continues with its modernization programme. All support and maintenance activities are centrally managed from the DHA Head Office.

3. As part of its constitutional and legislative mandate, the Department must provide uninterrupted, secure, and efficient civic and immigration services to both citizens and non-citizens. The Department's ability to deliver these services is heavily dependent on a robust and well-maintained Information and Communication Technology (ICT) environment.
4. Due to the DHA Modernisation Programme, there is a growing need for specialized technical services to support the roll-out, operation, and maintenance of Data Centre infrastructure, including server hardware, storage systems, virtualization platforms, and associated software infrastructure.
5. To ensure continued stability and service continuity, it is critical that a comprehensive support and maintenance contract be in place immediately upon the expiry of the current contract. This will safeguard the Department's ICT operations by ensuring timely replacement, repair, and restoration of critical equipment and systems in the event of failures or disasters. The transition to a paperless DHA environment has significantly enhanced service delivery efficiency but has also increased reliance on the underlying ICT infrastructure. It is, therefore, imperative to ensure uninterrupted ICT support and maintenance services to sustain the Department's service delivery commitments to the South African public.

$Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) \text{ or } Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)$		

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1 In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2 In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
 - (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
 then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.
