1. Part 1 - Letter of Invitation

To the Service Provider:

SASRIA SOC Limited hereby invites proposals from capable bidders to supply, install, configure, and maintain an integrated biometric access control, fire detection, and fire suppression solution for a period of 36 months.

A service provider will be selected under the procedures described in this Request for Proposal (RFP) document.

The RFP consists of the following documents:

- Part 1 – Letter of Invitation.
- Part 2 – Instructions.
- Part 3 – RFP Requirements.
- Part 4 – Financial Proposal.
- Part 5 – Pre-Qualification and Evaluation Criteria.
- Part 6 - Required Documents:
 - Annexure A: Confidentiality and Non-disclosure Agreement.
 - Annexure B: Acceptance of Bid Conditions.
 - Annexure C: Shareholder Information.
 - Annexure D: Bidder's Experience and proposed project team.
 - Invitation to Bid (SBD 1), its Annexure B of this RFP.
 - Disclosure and Declaration (SBD 4).
 - Preferential Point Claim Form (SBD 6.1).

Note: Failure to provide any one of the documents required in Part 6 may lead to an immediate disqualification of the service provider from the tender process.

Consent to Processing of Personal Information.

By submitting any information or documentation requested above or any other information that may be requested pursuant to this RFP, you consent to the processing by SASRIA SOC Limited, or its stakeholders of your personal information and all other personal information contained therein, as contemplated in the Protection of Personal Information Act, No. 4 of 2013, and Regulations promulgated thereunder ("POPI Act"). Furthermore, you declare that you have obtained all consents required by the POPI Act or any other applicable law. Thus, you hereby indemnify Sasria against any civil or criminal action, administrative fine, or other penalty or loss that may arise as a result of the processing of any personal information that you submit.

Part 2 - Instructions

2.1 Sasria

Sasria SOC Ltd (Sasria) is the only short-term insurer that provides special risk cover to all individuals and businesses that own assets in South Africa, as well as government entities. This is a unique cover against risks such as civil commotion, public disorder, strikes, riots and terrorism, making South Africa one of the few countries in the world that provide this insurance, particularly at affordable premiums.

As a state-owned entity, Sasria has a legislative mandate that governs day-to-day business operations and a broader strategic mandate to make a positive contribution to transformation within the Insurance industry in South Africa. Sasria's core business is the provision of short-term insurance for riots, strikes, terrorism, civil commotion and public disorder to businesses, government entities and individuals.

The Government of the Republic of South Africa, and specifically the National Treasury through the Minister of Finance, is the sole shareholder of Sasria. As such, the company has to comply with a number of legal and regulatory requirements.

Bidders are encouraged to review Sasria's latest Integrated Report, available on its website, to get a better understanding of its business operations and functions.

2.2 Contractual commitment

No commitment of any kind, contractual or otherwise shall exist unless and until a formal written agreement has been executed by or on behalf of SASRIA SOC. Any notification of preferred bidder status by SASRIA SOC shall not give rise to any enforceable rights by the Bidder. SASRIA SOC may cancel this RFP any time prior to the formal written agreement being executed by or on behalf of SASRIA SOC.

SASRIA SOC reserves the right at its sole discretion, and at any time, to amend, deviate from, postpone, discontinue or terminate the transaction/procurement process without incurring any liability whatsoever to any other party.

SASRIA SOC reserves the right not to award this tender to the highest ranked or highest scoring bidder, as it needs to align its procurement practices to governance practices that are in line with its own growth path. These may include but are not limited to: driving socio-economic development objectives that are enshrined in various government policies. SASRIA SOC is under no obligation to award the tender in full and may decide to award it in part to one or various tenderers.

2.3 Confidentiality

All bidders to this RFP will be required to sign the confidentiality and non-disclosure agreement outlined on Annexure A in this document.

2.4 Submission Format (Returnable Schedules)

Bidders are required to submit a comprehensively detailed bid responses in accordance with the submission format specified below:

Schedule 1:

- Executive Summary (explaining how you understand the requirements of this RFP, summary of your proposed solution and the summary of your experience relevant to the requirements of this RFP)

- Annexure B of this RFP document (See Part 6) (duly completed and signed)

Schedule 2

All documents (except Annexure B) listed on Part 6 of this RFP Document (duly completed and signed);

- a) CSD number to verify tax compliance;
- b) Valid B-BBEE verification certificate or Affidavit. An Exempted Micro Enterprises (EME) with an annual turnover less than R10 million, is only required to obtain a sworn affidavit confirming the annual total revenue and level of black ownership. A Qualifying Small Enterprise (QSE) that has 51% or more black beneficiaries may obtain a sworn affidavit confirming the annual total revenue and level of black ownership.
- c) Compliance with COIDA (Compensation for Occupational Injuries and Diseases) letter of Good standing to be provided by bidder

Submission Requirements to Claim Points Related to Specific Goals:

1. Consortium or Joint Venture – to submit a valid consolidated B-BBEE certificate or Affidavit and a signed Consortium or Joint Venture agreement.
2. Prime Contractor with Subcontractor(s)- Prime Contractor and Subcontractor(s) B-BBEE certificates or Affidavits are required and a signed subcontracting agreement
3. Individual bidder – must submit a valid B-BBEE certificate or Affidavit

Schedule 3:

- Technical Proposal in line with the Technical Evaluation Criteria in Part 5 of this RFP document.

Schedule 4:

- a) Financial/ Price Proposal in line with Part 4 of this RFP document.

2.5 Submission of Bids

The closing date and time for the submission of bids is **11 October 2024 at 12h00**. Bidders should click on this link <https://procurement.sasria.co.za/> to be able to register on the SASRIA SOC' Online Tender Portal on or before the closing date and time in order to submit their proposals. Bidders should follow the system prompts and submit all schedules to the Online Tender Portal. All correspondence will be done via the Online Tender Portal. Should bidders not be able to register, they should send the email to Procurement@sasria.co.za for assistance. It is the bidders responsibility to familiarise with our Online Tender Portal well before the tender close.

It is the bidder's responsibility to ensure that the bid is submitted as directed above and that the submission is received by SASRIA SOC before the closing date and time. Therefore, bidders are advised to allow adequate time for submission of bids through SASRIA SOC Online Tender Portal to mitigate against any possible technical challenges, which may result in delays in submission of bid responses.

Please note that SASRIA SOC Online Tender Portal is configured to receive electronic documents of maximum size of 4MB per file and each Schedule is limited to 30MB. The bidder will not be able to submit a bid unless all four (4) Schedules are completed.

SASRIA SOC will not enter into any negotiations regarding bids that could not be submitted on time through the SASRIA SOC Online Tender Portal. SASRIA SOC will take no responsibility for failure by the bidder to submit their bid response on time due to technical challenges of any sort.

NB: Hand delivered, posted, emailed, or faxed proposals will NOT be accepted or considered for evaluation.

SASRIA SOC reserves the right to amend any date specified above. Any changes will be communicated to the interested parties via our Tender Portal.

2.12 Transformation

SASRIA SOC promotes transformation in the financial services and other sectors of the South African economy and as such, bidders are encouraged to partner with majority black owned entities (51% black owned and controlled) and businesses that are small to medium sized. Such partnerships may include the formation of a Joint Venture and/ or subcontracting agreement etc., where a portion of the work under this tender would be undertaken by black owned entities. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit a consolidated B-BBEE scorecard.

Part 3 - RFP Requirements

3.1 Special Instructions

Should a bidder have reason to believe that the Functional Requirements are not open / fair and/or are written for a particular service provider; the bidder must notify SASRIA SOC Procurement within five (5) days after publication of the RFP.

3.2 Background Information

SASRIA SOC Ltd is committed to maintaining the highest standards of security and safety across its operations. The existing integrated biometric access control, fire detection, and fire suppression systems has reached the end of its useful lifespan and is no longer supported by the manufacturer, necessitating the need for a new and modern solution.

The current system's components are out of warranty, and procuring replacement parts has become increasingly difficult and prohibitively expensive. Additionally, managing and maintaining the outdated technology is resource-intensive and no longer aligns with contemporary security standards.

A new system is required to provide enhanced security features, improved reliability, and streamlined management. The upgraded solution must offer a robust and scalable framework for our security needs and ensure compliance with current safety regulations and standards.

This includes compliance with applicable regulatory and legislative requirements:

- Environmental management system ISO 14001; 2015
- National Building Regulations and standard Act 103 of 1977
- Occupational Health and safety Act 85 of 1993
- Occupational Health and safety Management System ISO 45001:2018
- Quality Management System requirement ISO 9001:2015
- SANS 10139
- SANS 10142-1:2009; The code of practice for wiring of a premises as amended.
- SANS 10400 – 2011 The application of the National Building Regulations
- SANS 14520
- SANS 1475
- SANS 246

As part of this effort, Sasria SOC seeks to form a partnership with qualified service providers to supply, install, configure, and maintain an integrated biometric access control, fire detection and suppression solution.

3.3 Objective

SASRIA SOC Ltd seeks a modern, integrated biometric access control, fire detection, and suppression solution that includes:

1. **Advanced Biometric Access Control:** The new system should utilize state-of-the-art biometric technology to manage access control effectively.
2. **Comprehensive Fire Detection and Suppression:** The solution must include advanced fire detection and suppression systems to ensure the safety of our facilities.
3. **Ease of Management and Maintenance:** The system should be user-friendly, reducing the resource burden associated with its upkeep.
4. **Regulatory Compliance:** The new system must comply with all relevant safety and

- security regulations.
5. Future-Proof Technology: The solution should be scalable and adaptable to meet future security needs.

3.4 Scope of Work

The service provider must be able to supply, install, configure, and maintain an integrated biometric access control, fire detection, and suppression solution as indicated below:

Biometric Access Control

Biometric access control system (Sigma Lite and J-Series) for in and out biometric access control (Quantity x36)

Sasria invites suitable and experienced Service Providers to supply and install Access Biometric Systems at Sasria offices, which will cater for its staff members. The appointed service provider shall undertake to provide Sasria with services of high and acceptable standard, which shall include but are not limited to:

- Removal of existing biometric equipment at all Sasria Offices
- Supply and installation of biometric equipment at Sasria offices
- Installation of compatible software and license for the duration of the contract period.
- Maintenance and support services to Sasria by fixing faulty biometric equipment within 24-hour minimum period from notification by Sasria.
- The appointed service provider must also provide all relevant IT and electrical infrastructure needs not limited to patch panels, cables and ducting

3.4.1 Deliverables:

The installed biometric systems must provide but not limited to:

- Secured relay units.
- Access control functionality to all entrances (Fingerprint and multi-mode access as a backup)

Provide maintenance and support of the system for the duration of the contract period (36 months).

- Periodic updates to latest version of the system.
- Test report for the network points installed.
- User acceptance test for each office.
- Project sign-off certificate.

3.4.2. Biometric Modalities

The system should support multiple biometric modalities (e.g., fingerprint, facial recognition, and iris scanning) to enhance security and flexibility.

3.4.3 System Architecture and Design

The service provider must ensure that biometric systems hardware and software are installed and activated by only suitably qualified employees, contractors, or subcontractors in possession of the required qualifications at the level determined by the State Security Agency of South Africa and per PSIR Act.

The biometric system should be scalable to accommodate future growth, including additional biometric devices and users.

The biometric system should be able to be integrated with existing Sasria IT infrastructure namely:

- Microsoft Windows Suite – the latest version (Operating systems and SQL server for HR databases)
- Support for uninterrupted power supply (UPS) and network connectivity
- Remote connection to the central system should be available to authorised computers, for monitoring and reports.

The system must provide reliable and efficient processes for enrolling users and verifying their identities using biometric data

3.4.4 Reporting:

The system must be capable of providing comprehensive logging and reporting of all access attempts, including successful and failed authentication attempts, with timestamp and user details.

- System reports to be able to identify duplicate clock-in/out.
- The system must have an ability to define and manage different access levels and permissions for various users and groups.
- The biometric must comply with relevant regulations and standards related to data privacy and security, such as POPIA and industry-specific standards.

3.4.5 Hardware – Fingerprint Reader

- Fingerprint reader to operate in an indoor and outdoor environment and must be built for rugged and inclement weather conditions.
- The reader must have high accuracy in matching biometric data, with low false acceptance rate (FAR) and false rejection rate (FRR).
- The biometric devices should operate effectively under various environmental conditions (e.g., lighting, temperature, humidity).
- Reader to have on-board memory capable of storing 1: n numbers of fingerprints/ user per office category.
- The reader should be accessible to accommodate users with disabilities.
- The reader should be able to provide clear feedback to users during the authentication process (e.g., visual or auditory cues)

3.4.6. Software:

- Application must be compatible with Microsoft Windows Suite.
- Combination of pattern minutiae and image technology which can extract image from a finger including worn, badly eroded or with poor visible print.
- Fingerprint matching algorithm performs 1: n matching identification of up to 3000 individual fingerprints records in a second or less.
- Biometric data must be encrypted both in transit and at rest to protect against unauthorized access and data breaches.

3.4.7 Maintenance and Support:

The contractor will be responsible for ensuring that the biometric system hardware and software is fully functional throughout the contract period. Maintenance of biometric system shall include:

- Response and resolution of biometric equipment within one (1) business / working day for all Sasria offices from reporting of any defective and faulty equipment by Sasria at agreed rates.
- Defective or Faulty biometric equipment is to be replaced with similar working equipment within one (1) business / working day for Saria offices.

- Update any embedded license where applicable with industry guidelines.
- Ensure that the biometric system functions in accordance with the scope of work.
- The contractor will be responsible for maintenance of the cable connecting the reader from the switch. They must ensure that the network point is in good working condition for the reader to function.

3.4.7 Training:

The service provider is expected to provide on-site training to selected staff members

Fire Detection and Suppression Systems

Supply and install a comprehensive fire detection and suppression system, as follows:

Building 1:

- 163 Optical Smoke Detectors
- 5 Temperature Heat Detectors
- 34 Sounders
- 23 Manual Red Call Points 2I/O Units

Building 2:

- 13 Optical Smoke Detectors
- 2 Temperature Heat Detectors
- 2 Sounders
- 2 Manual Red Call Points

Server Room:

- 3 Zone Techno Switch Conventional Fire Panel
- 2 Under Dome Bells
- 1 Electronic Siren
- 4 S65 Ionisation Detectors
- 1 Techno Switch Gas Lock Off Unit
- 1 GAS EOL unit
- 1 FFE gas cylinder with HFC125 Gas Temperature control unit

Please note: The fire detection and suppression equipment may vary according to the system to be provided.

The bidder will also be required to provide the following:

System Integration

Configure the system to ensure effective detection and integration with existing safety protocols, such as opening emergency exits, activating fire alarm, and SMS notifications, etc. For SMS notifications, the service provider is expected to provide the SIM card.

System Monitoring and Control

The System Monitoring and Control will serve as the core of the integrated Biometric Access Control and Fire Detection Solution. It should include a workstation for the Biometric Access Control Management System, facilitating functions such as enrolment, reporting, and management. Additionally, a management console for Fire Detection should be integrated into the overall solution.

Network Design

The network for this system must be designed with high security and robustness. It should be separate from the main organizational network, using a distinct managed VLAN and IP table. There must be no access or cross-sharing with other networks to ensure isolation and security.

Data Backup

All recordings and data must be backed up to data-storage solutions that meet SASRIA SOC's IT specifications. This could include site-based or cloud-based storage, as well as remote data backup solutions. The backup should be sufficient for future reference and data retrieval if needed.

Network Management

Implement a fully managed Layer 2 network with dedicated routing and firewall services. The Control Room solution should be equipped with limited access controls and located in a dedicated workspace provided by SASRIA SOC.

Removal and Stripping of Old Equipment

All materials from the removal and stripping process will remain SASRIA's property. SASRIA will have sole discretion over which materials, if any, should be removed from the site. The appointed bidder must ensure the removal of all rubble and stripping of old installations from the site.

Maintenance and Support

SASRIA SOC requires a three-year maintenance and support service, including a swap-out warranty. If any new equipment becomes faulty during this period, the supplier is responsible for replacing it at no additional cost. The warranty must cover workmanship and travel expenses for the entire three-year period.

Installation Compliance

All equipment must be installed according to as-built drawings, bid specifications, and manufacturer guidelines. Any deviations must be formally communicated to SASRIA SOC before acceptance, testing, and handover. Immediate reporting to the SASRIA SOC Project Manager is required if deviations from specifications occur.

Handover Process

The SASRIA SOC Project Management Team will receive the final handover certification within thirty days of practical completion. A site meeting will be scheduled on the agreed handover date. Prior to this, a joint inspection and testing will be conducted to compile a snag list and establish dates for remedial actions.

Documentation for Handover:

The following documents must be provided upon handover:

- 1 x As-Built Drawings (PDF, editable format and 1 hardcopy)
- 1 x System Configurations Printout
- 1 x User Manuals for all on-site equipment
- 1 x Training Manuals
- 1 x Maintenance Manuals
- 1 x Printouts of Registered User Access Profiles
- 1 x Biometric Access Control Profiles, Configurations, and Settings
- 1 x Full Asset Register
- 1 x Project Handover Certificate/Document.

Training

The service provider is expected to provide on-site training to selected staff members

3.4 Contract Duration

The appointed service providers will be required to start immediately after signing the contract and provide the required services for a period of three **(3) years** subject to satisfactory contract performance.

Part 4 - Financial Proposal

- 1 Bidders are required to provide a detailed and comprehensive price proposal i.e. all costs associated the bidder's proposal must be clearly specified and included in the Total Bid Price.
- 2 All prices must be VAT exclusive and must be quoted in South African Rand (ZAR).

Is the proposed bid price linked to the exchange rate?	Yes	No
<i>If yes, the bidder must indicate CLEARLY which portion of the bid price is linked to the exchange rate:</i>		

3

Payments will be linked to specified deliverables after such deliverables have been approved by SASRIA SOC.	Comply	Not Comply

4

SASRIA SOC reserves the right to consider the guidelines on consultancy rates as set out in the National Treasury Instruction 03 of 2017/2018: Cost Containment Measures , where relevant.	Comply	Not Comply
The bidder must indicate if their proposed rates are in line with the provisions of the referenced National Treasury Instruction: Cost Containment Measures.

2. Part 5: Qualification and Evaluation Criteria

5.1 Evaluation of proposals

The purpose of the RFP is to obtain a complete set of salient information pertaining to the bidding parties. The proposals will accordingly be used to evaluate whether, at SASRIA SOC's discretion, an interested party qualifies to proceed to the next stage of this procurement process. All bidding parties will be advised in writing of SASRIA SOC's decision, which will be final. No correspondence will be entered into pertaining to the evaluation process, the decisions taken and reasons thereof.

5.2 Evaluation Criteria

5.2.2 5.2.1 Level 1- Governance Verification

The evaluation during this stage is to review bid responses for purposes of assessing compliance with RFP requirements, which requirements include the following:

- Proof of registration with CSD confirming tax compliance status as referenced in Part 2 above.
- Valid B-BBEE certificate or Affidavit as referenced in Part 2 above.
- Duly completed Standard Bidding Document(s) and other requirements, in line with Part 6 of this RFP.
- Technical Proposal in line with the Technical Evaluation Criteria in Part 5 of this RFP document
- Financial/ Price Proposal in line with Part 4 of this RFP document

Note: Failure to comply with the requirements assessed in Level 1 (governance), may lead to disqualification of bids.

5.2.3 Level 2- Technical Evaluation

The evaluation during this level is based on technical criteria (functionality). The technical evaluation will be conducted in 2 phases, as follows:

Phase 1: Mandatory Technical Requirements

The bidder must indicate its compliance / non-compliance to the requirements and should substantiate its response in the space provided below. If more space is required to justify compliance, please ensure that the substantiation is clearly cross-referenced to the relevant requirement. The Mandatory Technical Requirements are as follows:

Mandatory Requirement		Comply	Not Comply
1	Bidder must be registered with Private Security Industry Regulatory Authority (PSIRA), attach valid certified copies of Company PSIRA certificate.		
2	Bidder must be registered with the Fire Detection Installer Association (FDIA), attach valid certified copies of Company FDIA certificate.		
3.	Bidders should attend the compulsory site inspection to be considered for this tender. Sasria will disqualify bidders that have not attended the inspection.		
Substantiation:			

Note: Failure to comply with Mandatory Requirements may lead to the bidder being disqualified, and not considered for further evaluation on Phase 2 Technical Requirements

Phase 2 –Technical Evaluation Criteria

Only bidders achieving a minimum score of 70 points will be evaluated in the next stage i.e. Solution demonstration. The bidder's proposal should comprehensively respond to the following technical evaluation criteria:

Item	Criteria	Scoring Guidelines	Points
1.	Company Experience The bidder must submit a company profile indicating experience of the company in the supply and installation of biometric access and Fire detection solution.	Points will be allocated as follows: - Company profile indicating more than 5 years industry experience = 15 points - Company profile indicating 3-4 years' industry experience = 10,5 points - Company profile indicating 1-2 years' industry experience = 4,5 points - No relevant experience provide = 0 points	15
2.	Reference Letterers (integrated biometric access control) The bidder must demonstrate experience in providing integrated biometric access control. Bidder to provide 3 contactable references from similar projects in the past 5 years (reference letters on clients' letterheads).	Points will be allocated as follows: 3 or more relevant reference letters =10 points 2 relevant reference letters = 7 points 1 relevant reference letter = 3 points - No relevant reference letter = 0 points	10
3.	Reference Letterers (fire detection solutions) The bidder must demonstrate experience in providing fire detection solutions. Bidder to Provide 3 contactable references from similar projects in the past 5 years (reference letters on clients' letterheads)	Points will be allocated as follows: 3 or more relevant reference letters =10 points 2 relevant reference letters = 7 points 1 relevant reference letter = 3 points - No relevant reference letter = 0 points	10

Item	Criteria	Scoring Guidelines	Points

PREAMBLE

Whereas the Discloser will disclose certain confidential information to the Recipient, for purposes of _____

And whereas the Recipient wishes to receive confidential information on the condition that the Recipient will not disclose the same to any third party or make use thereof in any manner except as set out below.

The Discloser and the Recipient hereby agree to the following:

1. Definitions

Unless the contrary is clearly indicated, the following words and/or phrases, when used in this Agreement, shall have the following meaning:

1.1 “Agreement” shall mean this written document together with all written appendices, annexures, exhibits or amendments attached to it from time to time;

1.2 “Commencement Date” shall mean the date of last signature of this agreement;

1.3 “Confidential Information” shall mean all information which:

1.3.1 pertains to the Disclosing Purpose, disclosed, revealed or exchanged by the Discloser to the Recipient, and which pertains to, but is not limited to all intellectual property rights, all trade secrets, all agreements (whether in writing or not) which exist at the time of revealing the content thereof to the Recipient, the content of all possible future agreements which the Discloser intends to enter into with any other party, all knowledge obtained by way of research and development, irrespective of whether the aforementioned information that is revealed is applicable to technical, business or financial aspects of the Discloser; and/or

1.3.2 any information of whatever nature, which has been or may be submitted by the Discloser to the Recipient, whether in writing or in electronic form or pursuant to discussions between the Parties, or which can be obtained by

examination, testing, visual inspection or analysis, including, without limitation, business or financial data, know-how, formulae, processes, specifications, sample reports, models, customer lists, computer

software, inventions or ideas; and/or

1.3.3 Any dispute between the Parties resulting from this Agreement; and/or

1.3.4 Any fault or defect in any aspect of the business of the Discloser, irrespective of whether the Discloser knows about such a fault or defect;

1.4 “**Notice**” shall mean a written document;

1.5 “**Parties**” shall mean both the Discloser (**SASRIA SOC SOC Ltd**) and the Recipient.

1.6 “**Board**” shall mean Board of Directors of the Discloser.

1.7 “**Tender for Income-Generating Contracts**” means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions;

1.8 “**Specific Goals**” means specific goals as contemplated in section 2(1)(d) of the Act which may include contracting with persons, or categories of persons, historically disadvantaged by unfair discrimination on the basis of race, gender and disability including the implementation of programmes of the Reconstruction and Development Programme as published in Government Gazette No. 16085 dated 23 November 1994;

2. Obligations of the Recipient

The Recipient shall:

2.1 use the confidential information disclosed to it solely for the purposes of
.....
.....
.....and for no other purpose whatsoever (“Disclosing Purpose”);

2.2 treat and safeguard the Confidential Information as private and confidential;

2.3 ensure proper and secure storage of all Confidential Information;

2.4 not at any time without the prior written consent of the Discloser or another employee of the disclosure from which he received the information,

2.4.1 disclose or reveal to any person or party either the fact that discussions or negotiations are taking, or have taken place between the Board, employee and another employee or the content of any such discussions

or other facts relating to the Disclosing Purpose, except where required by law or any governmental, or regulatory body;

2.5 not create the impression with or lead any third party to interpret or construe any

e) condition contained in this Agreement, that this Agreement is an Agency Agreement and/or Partnership Agreement and/or a Joint Venture and/or any other similar arrangement;

2.6 not allege that this Agreement grants it, either directly, or by implication, or by estoppel or otherwise a license under any patent or patent application, or that it is entitled to utilize the Confidential Information in any way contrary to the stipulations contained in this Agreement;

2.7 on termination of this Agreement act with the Confidential Information in accordance with a Notice delivered to it by the Discloser and if no such Notice was delivered, the Recipient shall destroy the Confidential Information in a similar manner to which it would destroy information that it would consider to be its own Confidential Information.

3. Obligations of the Discloser

Subject to clause 2, the Discloser shall:

3.1 disclose to the Recipient, in writing any relevant information in their possession or under their care; and

3.2 furnish the Recipient at least 7 (seven) calendar days prior to this Agreement being terminated, for whatever reason, with a Notice instructing the Recipient about what it should do with the Confidential Information once the Agreement has been terminated.

4. Exclusions

The provisions of **Clause 3** above will not apply to any Confidential Information which:

4.1 is at the time of disclosure to the Recipient, within the public domain and could be obtained by any person with no more than reasonable diligence;

4.2 come into the public domain and could be obtained after such disclosure, otherwise than by reason of a breach of any of the undertakings contained in this Agreement;

4.3 is subsequently provided to the Recipient by a person who has not obtained such

information from the Discloser, provided that, in any such case, such information was not obtained illegally or disclosed by any person in breach of any undertaking or duty as to confidentiality whether expressed or implied;

- 4.4 is disclosed with the written approval of the Discloser;
- 4.5 is or becomes available to a third party from the Discloser on an unrestricted basis;
- 4.6 is obliged to be reproduced under an order of court or government agency of competent jurisdiction.

5. Commencement

This Agreement shall commence on the Commencement Date.

6. Cancellation

- 6.1 The Agreement shall not terminate automatically. Either party must be able to terminate on written notice to the other party once the Disclosing Purpose is completed. The obligations of confidentiality under this Agreement shall continue to apply after assignment or termination of this Agreement.
- 6.2 The Parties further agree that either Party shall have the right at any time to give notice in writing to terminate this Agreement forthwith in the event of a material breach of any of the terms and conditions of the Agreement. If the breach in question is one which can effectively be remedied, the Parties shall endeavour to jointly try to remedy such breach, failing which, the Agreement shall be terminated.

7. Interpretation

- 7.1 The clause headings in this Agreement have been inserted for convenience only and will not be taken into consideration in the interpretation of this Agreement;
- 7.2 Any reference in this Agreement to the singular includes the plural and *vice versa*;
- 7.3 Any reference in this Agreement to natural persons includes legal persons and references to any gender include references to the other genders and *vice versa*.

8. Dispute Resolution

- 8.1** A dispute concerning or arising out of this Agreement exists once a party notifies the others in writing of the nature of the dispute and requires it to be resolved under this clause. The parties must refer any dispute to be resolved by -
- negotiation; failing which
 - mediation; failing which
 - arbitration
- 8.2** Within ten (10) Business Days of notification, the parties must seek an amicable resolution to the dispute by referring it to designated and authorized representatives of each of the parties to negotiate and resolve it by the parties signing an agreement resolving it within fifteen (15) Business Days
- 8.3** If negotiation fails, the parties must refer the dispute for resolution by mediation under the rules of the Arbitration Foundation of Southern Africa (or its successor or body nominated in writing by it in its stead) ("AFSA").
- 8.4** If mediation fails, the parties must refer the dispute within fifteen (15) Business Days for resolution by arbitration (including any appeal against the arbitrator's decision) by one arbitrator (appointed by agreement between the parties) as an expedited arbitration in Sandton under the then current rules for expedited arbitration of AFSA.
- 8.5** If the parties cannot agree on any arbitrator within a period of ten Business Days after the referral, the arbitrator will be appointed by the Secretariat of AFSA.
- 8.6** The periods for negotiation or mediation may be shortened or lengthened by written agreement between the parties.
- 8.7** This clause will not preclude any party from access to an appropriate court of law for interim relief in respect of urgent matters by way of an interdict, or mandamus pending finalisation of this dispute resolution process, for which purpose the parties irrevocably submit to the jurisdiction of a division of the High Court of the Republic of South Africa.
- 8.8** This clause is a separate, divisible agreement from the rest of this Agreement and must remain in effect even if the Agreement terminates, is nullified, or cancelled for any reason or cause.

9. Domicilium and Notices

The Parties elect the following addresses as their respective *domicilium citandi et executandi*, at which all notices and other communications must be delivered for the purposes of this Agreement:

transmitted.

10. Entire Agreement and Variations

10.1 This Agreement constitutes the whole agreement between the Parties and supersedes all prior verbal or written agreements or understandings or representations by or between the Parties regarding the subject matter of this Agreement, and the Parties will not be entitled to rely, in any dispute regarding this Agreement, on any terms, conditions or representations not expressly contained in this Agreement.

10.2 No variation of or addition to this Agreement will be of any force or effect unless reduced to writing and signed by or on behalf of the Parties.

10.3 Neither party to this Agreement has given any warranty or made any representation to the other party, other than any warranty or representation which may be expressly set out in this Agreement.

11. Data Security

11.1. The Recipient shall, at all times, ensure compliance with any local and international laws, regulations, policies or codes that may be enacted from time to time and put in place and maintain sufficient measures, policies and systems to manage and secure against all forms of risk to any information that may be shared or accessed through a computer or any other form of electronic communication pursuant to the Agreement. For purposes of this clause 0,

“Information” shall mean, but not be limited to:

11.1.1. all cyber related information, including data; a computer program; output of a computer program; a computer system; article; data message; a computer data storage medium; output of a computer program and output of data;

f)

11.1.2. Personal Information as defined in section 1 of the Protection of Personal Information Act No. 4 OF 2013 (“POPIA”) read with Section 1 of the Promotion of Access to Information Act No. 2 of 2000; and

11.1.3. Any other information that may be shared or accessed pursuant to the Agreement.

11.2. The Recipient shall notify the Discloser in writing of any cybercrimes or any suspected cybercrimes in its knowledge and to report such crimes or suspected crimes to the relevant authorities in accordance with applicable laws, within 10 days of becoming aware of such crime or suspected crime.

12. Protection Of Personal Information

12.1. For purposes of this clause 112 -

12.1.1. the following terms shall bear meanings contemplated in Section 1 of the POPIA: **consent; data subject; electronic communication; information officer; operator; person; personal information; processing; record; Regulator; responsible party; special information**; as well as any terms derived from these terms.

12.1.2. **“binding corporate rules”** means personal information processing policies, within a group of undertakings, which are adhered to by a responsible party or operator within that group of undertakings when transferring personal information to a responsible party or operator within that same group of undertakings in a foreign country; and **“group of undertakings”** means a controlling undertaking and its controlled undertakings.

12.2. The Parties acknowledge and agree that, in relation to personal information that may be processed pursuant to the Agreement, the Discloser is the responsible party and the

Recipient is the operator.

12.3. The Recipient must process such personal information only with the knowledge or authorisation of the Discloser and treat personal information which comes to its knowledge as confidential and must not disclose it, unless so required by law.

12.4. The Recipient must secure the integrity and confidentiality of personal information in its possession or under its control by taking appropriate, reasonable technical and organisational measures to prevent loss of, damage to or unauthorised destruction of personal information and unlawful access to or processing of personal information.

12.5. In order to give effect to the obligations set out in this clause 112, the Recipient must take reasonable measures to-

12.5.1. identify all reasonably foreseeable internal and external risks to personal information in its possession or under its control;

12.5.2. establish and maintain appropriate safeguards against the risks identified;

12.5.3. regularly verify that the safeguards are effectively implemented; and

12.5.4. ensure that the safeguards are continually updated in response to new risks or deficiencies in previously implemented safeguards.

12.6. The Recipient shall have due regard to generally accepted information security practices and procedures which may apply to it generally or be required in terms of specific industry or professional rules and regulations.

12.7. The Recipient shall notify the Discloser immediately where there are reasonable

grounds to believe that the personal information of a data subject has been accessed or acquired by any unauthorised person.

12.8. The Recipient shall appoint an information officer and an appropriate number of deputy information officers as may be required by the POPIA, and must provide the Discloser with the details of such officers, whose responsibilities shall include-

12.8.1. the encouragement of compliance, by the Recipient, with the conditions for the lawful processing of personal information;

12.8.2. dealing with requests made to the Recipient pursuant to the POPIA;

12.8.3. working with the Regulator in relation to investigations conducted under the POPIA;

12.8.4. otherwise ensuring compliance by the Recipient with the provisions of the POPIA; and

12.8.5. as may be prescribed by the POPIA.

12.9. The Recipient shall not transfer personal information about a data subject to a third party who is in a foreign country without Prior written consent of the Discloser. The Discloser will not grant such consent unless-

12.9.1. the third party who is the recipient of the information is subject to a law, binding corporate rules or binding agreement which provide an adequate level of protection that-

12.9.1.1. effectively upholds principles for reasonable processing of the information that are substantially similar to the conditions for the lawful processing of personal information relating to a data subject who is a natural person and, where applicable, a juristic person; and

12.9.1.2. includes provisions, that are substantially similar to this section, relating to the further transfer of personal information from the recipient to third parties who are in a foreign country;

12.9.2. the data subject consents to the transfer;

12.9.3. the transfer is necessary for the performance of a contract between the data subject and the responsible party, or for the implementation of pre-contractual measures taken in response to the data subject's request;

12.9.4. the transfer is necessary for the conclusion or performance of a contract concluded in the interest of the data subject between the responsible party and a third party; or

12.9.5. the transfer is for the benefit of the data subject, and-

12.9.5.1. it is not reasonably practicable to obtain the consent of the data subject to that transfer; and

12.9.5.2. if it were reasonably practicable to obtain such consent, the data subject would be likely to give it.

12.10. The Recipient shall process personal information of data subjects in accordance with the conditions for the lawful processing of personal information as contemplated in the POPIA, and shall at all times put sufficient measures in place to ensure compliance with the POPIA, including compliance with any compliance notices and information notices served on the Recipient under the POPIA.

13. Assignment, Cession and Delegation

Neither of the Parties shall be entitled to assign, cede, delegate or transfer any rights, obligations, share or interest acquired in terms of this Agreement, in whole or in part, to any other party or person without the prior written consent of the other, which consent shall not unreasonably be withheld or delayed.

14. Relaxation

No indulgence, leniency or extension of a right, which either of the Parties may have in terms of this Agreement, and which either party ("the grantor") may grant or show to the other party, shall in any way prejudice the grantor, or preclude the grantor from exercising any of the rights that it has derived from this Agreement, or be construed as a waiver by the grantor of that right.

15. Waiver

No waiver on the part of either party to this Agreement of any rights arising from a breach of any provision of this Agreement will constitute a waiver of rights in respect of any subsequent breach of the same or any other provision.

16. Severability

In the event that any of the terms of this Agreement are found to be invalid, unlawful or unenforceable, such terms will be severable from the remaining terms, which will continue to be valid and enforceable.

17. Governing Law

The validity and interpretation of this Agreement will be governed by the laws of the Republic of South Africa.
