

Tender No: 30514-6W; 30520-6W, 30521-6W AND 30522-6W

Questions

1. Kindly assist with artwork of refuse bags for tenders no: 30520-6W, 30521-6W AND 30522-6W?
2. Please can you assist us with obtaining samples for the below tenders so we can quote correctly 30514-6W; 30520-6W, 30521-6W AND 30522-6W?
3. PR number is 10000, is this still used, or should I use the supplier code 30484049?

Answers

The artwork is readily available upon request via email.

We do not have stock available for samples but we have made provision to supply sample pieces specifically for colour only and the specification is detailed enough to guide.

The correct number to use is the Supplier Number as the PR numbers has phased out.
