1. BID PURPOSE

This document has been prepared to invite service providers with experience in constructing and managing cloud hosting environments to make a proposal based on scope of work laid out herein for a period of five (05) years. This request for proposal (RFP) therefore consists of a detailed description of the service required, the goals to be achieved, the features and elements to be demonstrated in the proposal.

It is expected that the resulting cloud environment will be stable, secure, scalable, easy to manage, and cost-effective to run. This project is open to any service provider with experience in cloud computing. Different Azure services offer a wide range of tools and features that could be used to fulfil the requirements, and any Azure engineers have the expertise to utilize these services cost-effectively. We are also open to any third-party tools or services that could be used in conjunction with an Azure environment to improve functionality, ease of management, or cost-effectiveness. Any third-party services must be well-documented and well supported.

2. PROCUREMENT LEGISLATION

The CHIETA has a detailed evaluation methodology premised on Treasury Regulation 16A3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000): Preferential Procurement Regulations, 2022 and the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003).

3. TECHNICAL ADMINISTRATIVE ENQUIRIES

A nominated official of the bidder can make technical and administrative enquiries in writing to rtsedu@Chieta.org.za and tramathoka@Chieta.org.za for administrative and technical enquiries will be responded to within 3 business working days.

Whilst all due care has been taken in connection with the preparation of this bid, the CHIETA makes no representations or warranties that the content of the bid or any information communicated to or provided to Bidder(s) during the bidding process is, or will be, accurate, current, or complete. The CHIETA, its employees and advisors will not be liable with respect to any information communicated which may not be accurate, current, or complete.

4. COUNTER CONDITIONS AND FRONTING

Bidders' attention is drawn to the fact that amendments to any of the bid conditions or setting of counter conditions by bidders or qualifying any bid conditions will result in the invalidation of such bids.

The Government, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct, or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the guidelines on complex structures and transactions and fronting, issued by the Department of Trade and Industry, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid.

5. BID VALIDITY

The period of validity of tender and the withdrawal of offers, after the closing date and time is 120 days

6. SCOPE OF WORK AND TERMS OF REFERENCE

The CHIETA's current infrastructure is piloted through Microsoft foundations. Our applications are under SQL Servers with Microsoft operating systems. This is also tied to a Microsoft Active directory service which is supported by a two-factor authentication application.

We are looking for a service provider that will migrate our current infrastructure to Azure for a period of five(05) years commencing in April 2025. The infrastructure to be moved is SQL driven applications, Hyper-V infrastructure VMs. The hosting should comply with POPIA, and data should reside within the South African borders.
