1.1. Could you kindly confirm whether the dams have been labelled correctly?

Response

- *No, They are not correctly displayed and labelled on google map, this was clarified during Clarification meeting and site visit.*

1.2. Could you also please share the location of each dam together with the corresponding dam name?

Response

- *No, mostly it is Vaal pan that gets contaminated, but the other Dams are not exclude though those cases are rare. They won't be as extreme as compared to Vaal Pan as well, this was clarified during Clarification meeting and site visit.*
