16. REQUEST FOR PROPOSAL (RFP)

6.1 The objective of this Request for Proposals is to appoint a suitable independent service provider/s that can support **[Department of Economic Development Environment Conservation and Tourism]** with the review of the Air Quality Management Plan (AQMP).

17. SCOPE AND EXTENT OF WORK

17.1 The role of the Service Provider is to assist **Department of Economic Development Environment Conservation and Tourism]** with the project to review the Air Quality Management Plan (AQMP) in accordance with the provision of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004) (hereafter referred to as AQA or the Act), and in line with the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA).

17.2 The overall objective of the project is to assess the current status of air quality within the province and to review the existing AQMP with objectives that will ensure prevention and improvement of air quality in the **North West Province of South Africa**, so as to fulfill Government's Constitutional mandate to ensure an environment that is not harmful to the health and well-being of all South Africans. The detailed scope of work and related outputs are provided below:

17.1.1 Phase 1 – Inception Planning Objective

The appointed service provider will carry out all the work required to review and compile a process plan for the development of the Air Quality Management Plan. This process plan should include, among other items:

- (i) a detailed description of how the appointed service provider intends to review and develop the AQMP in accordance with the project objectives;
- (ii) a Gantt Bar Chart detailing the timing and critical path of key activities and milestones

- (iii) a capacity building strategy
- (iv) Public Participation

The service provider in consultation with the authority will arrange not less than two public participation meetings to consult with and provide feedback to members of the general public and key stakeholders within the jurisdiction of the province most importantly, public participation is an ongoing process which starts from the inception of the project until conclusion thereof. The public participation should preferably be structured as follows:

- At least one public meeting should be held during the baseline assessment process,
 - After air quality modelling process, another one should be held upon compilation of the draft AQMP.
- (v) Proposed methodology used to review the AQMP Role and responsibilities of the PSC

17.1.2 Phase 2: Establish Stakeholder Groups and Baseline

Assessment Report

17.1.2.1 Task 1: Establish Stakeholders

It is necessary to identify the key people/agencies/companies and general members of the public that are sources of emissions, or have capacity to invoke management strategies, or have an interest in supporting the management plan. This collective of stakeholders will take part in identifying the short-term and long-term goals of the AQMP.

17.1.2.2 Task 2: Air Quality Baseline Report

The appointed service provider will carry out all the required meetings, interviews, literature reviews, data collection, data analysis, etc. required to compile the Baseline assessment report.

This report should review available information in order to generate a chapter that, amongst others, includes:

- i. A description of the current ambient air quality in the province and compares this to national standards;
- ii. An identification of significant sources of air pollution in the province;
- iii. A description of the cause and effect relationships that give rise to the significant sources of air pollution;
- iv. A description of the overall health, environmental impacts, social and economic impacts of poor air quality in the province;
- v. A description of the relative difficulty, or otherwise, of reducing various emissions; and,
- vi. Provision of details on any future threats to air quality in the province (new industrial developments, etc.).

In addition to the above, the Baseline Assessment report shall consist of the following components:

17.1.2.3 Task 2.1: An Emission Inventory

The appointed service provider will be responsible for, but not limited to, validating the available emission inventories that were developed as part of Local /District/Metro municipality and the provincial AQMPs and from any other available emission inventory database. Furthermore, the service provider will identify any gaps in the existing inventories and where there are gaps, the service provider will collect, collate and analyze emission inventory data and other required information. The

appointed service provider will be required develop a comprehensive database of all identified emission sources such as, but not limited to:

- i. Industrial operations (point and fugitive emissions);
- ii. Mining activities;
- iii. Domestic fuel burning;
- iv. Vehicle emissions and overall transport emissions
- v. Other fugitive dust sources;
- vi. Biomass burning; and
- vii. Waste treatment and disposal.
- viii. Emissions from informal settlements

The appointed Service provider will work in close cooperation with the authority in the development of the emission inventory and the service provider will be required to hand over all documentation and calculations used in the development of the inventory.

17.1.2.4 Task 3.2. Dispersion Modeling

Based on the emission inventory developed, the Service Provider will use the appropriate modeling approach to provide air pollution dispersion model results that characterizes the impact of air pollution on ambient air quality in both time and space.

The Service provider is expected to describe the modeling approach and demonstrate its applicability. A final decision on the modeling approach should be discussed and approved prior to any work commencement and should be in line with the Regulations regarding air dispersion modelling (Government Gazette, No. 37804). Upon completion of the project the service provider will supply ***Department of Economic Development Environment Conservation and Tourism*** with all input data, model parameterization and post-processing files.

17.1.3 Phase 3. Gap And Problem Analysis

Subsequent to the finalization of the Baseline Assessment Report, the appointed service provider together with the PSC, are to do a gap and problem analysis of the status of air Quality management within the province

17.1.3.1 Task 1: Identify Gaps

Gaps in the current air quality management mandate of the province should be identified and documented.

This will include, but not limited to:

- (i) Human Resource Capacity;
- (ii) Gaps in monitoring data; and,
- (iii) Stack monitoring
- (iv) Emission inventory.

17.1.3.2 Task 2: Determine the Problems and Effects

Once the gaps are identified, the committee should initiate a problem analysis to determine the problems, associated cause of the problems and the effects. The gap and problem analysis should be documented as part of the AQMP, building on the Baseline assessment section.

17.1.4 Phase 4: Development of Intervention Strategies

The service provider, with assistance from the stakeholders, will identify possible interventions required to meet the project objectives. The service provider will then carry out all the work required to compile the chapters of the plan that detail these interventions and the deferent roles and responsibilities of various stakeholders. The appointed service providers shall carry out all the logistical arrangements, organize and

participate in any identified bi-lateral meetings with key-stakeholders as directed by the Project Management Committee. Each, specific intervention should be described by giving, among others:

- i. intervention objective (with details of timing and expected air quality impacts);
- ii. intervention outputs; activities; inputs (including financial, human and technological resource inputs);
- iii. assumptions and risk assessment; intervention implementation plan that clearly describes timing and responsibilities; and
- iv. Interventions should take into account future conditions for various scenarios developed as part of the threat assessment.

This exercise should quantify, where possible, the emission reduction potential of each of the interventions. The work should be conducted as a series of scenarios with an economic cost / benefit analysis conducted as part of the assessment.

Following the public participation process, the appointed service provider will finalize the intervention descriptions for inclusion as chapters in the plan.

17.1.5 Phase 5: Draft Air Quality Management Plan

The appointed service provider will carry out all the work required to compile an Air Quality Management Plan. This plan should be ratified by the approved structure, and should include the following:

- i. Key aspects of the baseline assessment
- ii. Air Quality Management vision, mission and Goals
- iii. the strategy analysis;
- iv. the intervention descriptions; Coordination, cooperation, participation and implementation arrangements (including organizational structures
- v. monitoring evaluation and reporting,

- vi. should identify any regulations necessary for implementing and enforcing plans;
- vii. Implementation plan with key tasks and recommended resources required

In order to facilitate top management approval, the appointed service provider must compile an executive summary of the comprehensive Draft Air Quality Management Plan, and a Power Point presentation that summarizes the key elements and interventions contained in the draft plan.

17.1.6 Phase 6: Final Air Quality Management Plan

The appointed service provider will carry out all the work required to compile a database of all comments received during the public comments process on the Draft Air Quality Management Plan. Working in close cooperation with the authority, the service provider will propose amendments and effect those amendments into the draft plan based on the public comments. The proposed amendments must be presented/ submitted to the PSC for inputs before being finalized.

The service provider must finalize the plan in consultation with the PSC. The Final Air Quality Management Plan should be submitted together with all processed data and any other resources used during the study.

17.1.7 Typical Project Phases

18. TIMING OF ASSIGNMENT

18.1 All work is to be carried out in accordance within the period of **[15 months]** as agreed with the Project manager.

19. PERFORMANCE MEASURES

19.1 The performance measures for the delivery of the project to develop the Air Quality Management Plan (AQMP) will be closely monitored by **Department of Economic Development Environment Conservation and Tourism** officials. The appointed service provider will be required to sign the Service Level Agreement (SLA) with **Department of Economic Development Environment Conservation and Tourism** before any work commence.

19.2 The SLA should be concluded and signed as soon as possible after awarding of BID. The successful bidder will be required to start the project immediately after their final signature of the SLA.

19.3 The general conditions of the contract as provided by the National Treasury will be applicable.

20. REPORTING

20.1 The appointed Service Provider/s will submit ***[monthly and quarterly]*** progress reports to the Project manager, within **3 days** after the end of each ***[month and quarter]*** for the duration of the project.

20.2 The service provider is expected to present the project progress and findings for approval by the Project Steering Committee (PSC). The PSC will meet in alignment with each milestone of the project or as deemed necessary by the committee

21. MONITORING PROGRESS

21.1 The Project manager shall monitor the implementation of the project in line with the Service Level Agreement.

22. CONTINUITY AND PROFILE OF SENIOR STAFF ON THE PROJECT

22.1 The Service Provider/s must guarantee the presence of the senior staff throughout the duration of the contract.

22.1.1 Prior to the appointment of a replacement, the Project Manager must approve such appointment. If the senior has to leave the project, a period of at least a month is required, in which the senior must work parallel with the next person (senior consultant with similar expertise and equal years of experience) appointed to be able to transfer skills and knowledge

23. PROJECT MONITORING

The **Department of Economic Development, Environment, Conservation and Tourism** will be responsible for the over-all performance monitoring of a successful service provider, ensuring payment of approved invoices. The day-to-day management of service provider's working team will remain the responsibility of the Service Provider.

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:
 - 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
 - 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
 - 1.7 "Day" means calendar day.
 - 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
 - 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
 - 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
 - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the

RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such

obligations of the supplier covered under the contract.

- 1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

- 5.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or

analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;

- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take

such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

- | | |
|---|---|
| 16. Payment | <p>16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.</p> <p>16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.</p> <p>16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.</p> <p>16.4 Payment will be made in Rand unless otherwise stipulated in SCC.</p> |
| 17. Prices | <p>17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.</p> |
| 18. Contract amendments | <p>18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.</p> |
| 19. Assignment | <p>19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.</p> |
| 20. Subcontracts | <p>20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.</p> |
| 21. Delays in the supplier's performance | <p>21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.</p> <p>21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.</p> <p>21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.</p> <p>21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the</p> |

supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any

person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which
