TOTAL SCORE:	**100**

6.5 **STEP FOUR: Price Negotiations (if applicable)**

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
  - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
  - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

6.6 STEP FIVE: Objective Criteria

- Rotation of Suppliers to promote opportunities for other suppliers, by overlooking a supplier that has been awarded business repeatedly overtime in order to benefit other suppliers in the market;

6.7 STEP SIX : Award of business and conclusion of contract

- Immediately after approval to award the contract has been received, the successful bidder(s) will be informed of the acceptance of his/their Bid by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s). where applicable.

- Alternatively, acceptance of a letter of award by the Successful Respondent. will constitute the final contract read together with their RFQ response and the Standard Terms and Conditions. This will be stated in the letter of award.

SECTION 4: PRICING AND DELIVERY SCHEDULE

The pricing schedule is paperless and must be completed electronically on the Transnet Digital Procurement System (TDPS). All line items must be completed in full. Failure to complete all required line items will result in the bidder's disqualification from the tender evaluation process.

Notes to Pricing:

a) Respondents are to note that if the price offered by the highest scoring bidder is not market-related, Transnet may not award the contract to that Respondent. Transnet may-

(i) negotiate a market-related price with the Respondent scoring the highest points or cancel the RFP;

(ii) if that Respondent does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the second highest points or cancel the RFP;

(iii) if the Respondent scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the third highest points or cancel the RFP.

If a market-related price is not agreed with the Respondent scoring the third highest points, Transnet must cancel the RFP.

b) Prices must be quoted in South African Rand inclusive of VAT.

c) Any disbursement not specifically priced for will not be considered/accepted by Transnet.

d) To facilitate like-for-like comparison bidders must submit pricing strictly in accordance with the system pricing schedule and not utilise a different format. Deviation from this pricing schedule could result in a bid being declared non-responsive.

e) Quantities given are estimates only. Any orders resulting from this RFP will be on an "as and when required" basis.

f) Prices are to be quoted on a delivered basis to affected areas (to be captured on system).

g) Please note that should you have offered a discounted price(s), Transnet will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.
