BUSINESS UNIT RESPONSIBLE FOR THE BID

The business unit responsible for this bid is the Human Capital Management unit.

CONTEXT OF THIS PROCUREMENT

SANParks' operations are guided by its vision and mission and are firmly anchored in its mandate, as a public entity, to advance the transformation of South African society in support of strengthening and entrenching constitutional democracy. This commitment is aligned with the South African legislative framework, including the Constitution of the Republic of South Africa, the Employment Equity Act, the Skills Development Act, the Basic Conditions of Employment Act, the Labour Relations Act, the National Development Plan, as well as other applicable statutory and regulatory instruments that collectively promote equitable, inclusive, and sustainable transformation.

South Africa is a diverse nation of over 63 million people, characterised by a rich tapestry of cultures, languages, and religious beliefs. However, the legacy of the historical political system entrenched divisions based on these differences, fostering a culture of exclusion and “us and them.” These divisions extended beyond race to include the marginalisation

of women, persons with disabilities, individuals of diverse sexual orientations and gender identities, members of the LGBTQI+ community, and individuals of different religious beliefs.

Although measurable progress has been achieved through equal rights legislation and affirmative action policies—such as increased representation of Black professionals in management—these gains remain insufficient when compared to the demographic profile of the broader society. Persistent inequalities and exclusionary practices continue to present challenges to achieving meaningful and sustained transformation.

These systemic challenges are also evident within SANParks. As such, SANParks is committed to taking deliberate and accelerated steps to foster an inclusive organisational culture that not only recognises but actively celebrates diversity. SANParks acknowledges that embracing diversity is a strategic imperative that strengthens organisational performance, enhances innovation, and supports sustainable nation-building.

It is therefore critical for SANParks to cultivate a workforce that reflects the diversity of the communities it serves, while creating an environment that values a diversity of thoughts, perspectives, and lived experiences. Central to this objective is the promotion of a workplace culture grounded in respect, inclusion, equity, and a shared sense of belonging, thereby establishing a strong psychological contract and psychological safety between the organisation and its employees.

In furtherance of this mandate, the purpose of this Request for Proposal (RFP) is to appoint a suitably qualified and experienced service provider to design and deliver a comprehensive, solution-driven Diversity, Equity, Inclusion and Belonging (DEIB) programme. The programme must be scalable and adaptable for implementation across all organisational levels, including Head Office and employees based within national parks.

The DEIB programme must incorporate evidence-based methodologies and practical interventions aimed at accelerating organisational cultural transformation. Key focus areas should include, but not be limited to, unconscious bias, microaggressions, and intersectionality. The programme should enhance participant self-awareness, promote respect for diversity, and equip employees with practical tools and strategies to identify, prevent, and effectively address all forms of unfair workplace discrimination.

Furthermore, the programme should contribute to fostering an inclusive organisational culture in which all employees feel valued, respected, and empowered to contribute meaningfully, thereby reinforcing a sustained sense of belonging across the organisation. Through this initiative, SANParks seeks to embed a high-performing, inclusive, and equitable workplace culture that aligns with its legislative obligations, strategic transformation objectives, and broader commitment to nation-building.
